Report From Inspector Kevin Horton,

Insp Horton outlined the current status in the South Suffolk Area

Sharing of views across all areas, all have similar issues to deal with, more changes of the force as they move with the need to meet crime.

PCSO's, now leaving, 2 have already left with 3 others leaving on the 29th October, 2 police officers coming in, more officers are required to meet demand and are able to work shifts which will help.

The PCSO's are going due to feed back that more officers are required to enable all shift patterns to be covered low level enquiries , especially parking not been addressed due to demand and availability, 6 officers on shift to deal with 49 parishes is a real strain, support and response is by Ipswich and Sudbury teams.

PC David Wright is going back to response and the post is available but will be filled shortly
