

Babergh East, Police and Parish Forum

Hadleigh Locality

Meeting Minutes: 4th December 2019, Brantham Sports Centre

Trott Ward addressed the meeting outlining that the format was for all Parishes and parishioners to attend the forum, this was our chance to bring forward any issues in your local areas, which can then be brought and discussed with the Local SNT team, and taken forward for action.

A question being asked, who can attend, parish councillors, parish clerks, anyone who the parish council wish to send on their behalf, and parishioners, yes the doors are open to all, make use of your bi-monthly meeting with your local police force, in fact, nearly every meeting someone brings forward information or has their chance to talk to the police, one to one.

7.30 pm Start, All Welcome,

We are being asked to change our days but with 49 parishes there will always be someone who cant make the dates, these are set to work in with the police meetings to ensure all information is current. any parish can send an attendee, they do not have to be on the parish council but can bring forward any concerns from the parish and report back

All parishes and parishioners welcome to attend, as you are all aware, the police teams are unable to visit all 49 parish council meetings every month, so please bring any issues to the bi-monthly forum meetings.

Can all 49 parishes arrange to attend the meetings or send someone on their behalf, this is your chance to voice issues and hear of any other issues in neighbouring parishes which could effect your parish
