A copy of the of the Independent Examiner's Final Report on the Chelpin Plan was received and published. This can be viewed under the 'Latest News' section at:

www.babergh.gov.uk/ChelmondistonNP

In summary, the report makes a number of recommended modifications to ensure that this Plan meets the Basic Conditions and, subject to those being made, that the Plan can go forward to a local referendum.

We will publish further updates on the progress of this Plan in due course.
