

## Work at the Pier

Monday morning was rather grey and chilly for an August day, but spirits were high as Amicus started the fitting of the new railings.

As ever, schedules of work are dependent on tides and weather conditions. Who would have thought that wind and storms would be an issue in the middle of August! We expect to issue another newsletter as soon as we have a completion date confirmed.

Then the fun begins as we plan for the opening of the renovated section of the pier.

**Pierside Snacks Open Sunday 15th August 10am - 3pm**

Pierside Snacks currently trades at weekends subject to weather from 10am to 3pm. This coming weekend we are limited to Sunday 15th August due to shortage of volunteers.

The menu is the familiar bacon butties, burgers, vegan options cooked on the vegan griddle, and hot and cold drinks.

Hope to see you there on Sunday from 10am - 3pm

## Plant Sales at Stourside

Our volunteers Peter and Jane continue to sell plants at the pavement edge at the far end of Stourside, Shotley Gate by the fields.

So if you are out for a stroll, why not visit the community orchard and walk to the other end of Stourside to see the selection of young plants for sale? This week there are young dahlias on offer as well.

## Volunteer Training

If you are considering volunteering, please get in touch as we are aiming to run a training session at the Shotley Rose soon, social distancing permitting.

Email [shotleypier@gmail.com](mailto:shotleypier@gmail.com) if you would like full details.

Much of our volunteering is chatting to people at the pier or elsewhere and you can do one task or many, it will be your choice.

**Pier Guides** – chat to people about the history and also gate guardian when there are occasions to restrict entry.

**Drivers** with their own vehicle and towbar to move our foodtruck to and from the pier at weekends – as many or as few sessions on the rota as you wish!

Alternatively, if you have experience driving Land Rovers, you may be able to borrow our Chairman's beloved beast to tow the foodtruck.

**Coffee Morning volunteers** – cake makers, ticket sellers, etc.

**Pierside Snacks Cook** - we can pay for you to get a Level 2 Food Hygiene Certificate if you would like to join our rota to cook bacon baps and burgers on our efficient griddle.
