

Babergh East, Police and Parish Forum

Hadleigh Locality

Meeting Minutes: 20th September 2023, Flowton Church.

Trott Ward addressed the meeting outlining that the format was for all Parishes and parishioners to attend the forum, this was our chance to bring forward any issues in your local areas, which can then be brought and discussed with the Local SNT team, and taken forward for action.

A question being asked, who can attend, parish councillors, parish clerks, anyone who the parish council wish to send on their behalf, and parishioners, yes the doors are open to all, make use of your quarterly meeting with your local police force, in fact, nearly every meeting someone brings forward information or has their chance to talk to the police, one to one.

Nick Carter Flowton, many village signs are unable to be seen as they are overgrown with vegetation, Suffolk County Council issues, report it online

Gordon McCloud Hadleigh Town Council, we report it but sometimes we have to get our own contractors to do it. Mick Fraser at Suffolk County Council, he will help with it

Steven Wells Claydon and Whitton Parish Council, over 3000 vehicles have been recorded using the bus gates, some with no MOT or insurance, reported on a weekly basis, Inspector Matt Breeze suggested that a ANPR camera is to be fitted and the licence for that has been applied for, unfortunately the police cannot act on other peoples reports, the situation may help with the changes and be able to get someone to patrol the gate more often.

Samantha From Flowton, do the police consult on planning applications, the police are not a statutory consultee on planning applications and they have to be sent to Phil Kemp for comment but he is not a statutory consultees on planning
