31st August 2017

Dear Sir/Madam,

Reference: Simplyhealth Great East Run – Sunday 24th September 2017

Subject: Road Closures Timings

The inaugural Simplyhealth Great East Run will take place on Sunday 24th September 2017 with 3000 runners taking to the streets of Ipswich and the surrounding area.

To facilitate the event a number of road closures will be in place. Attached to this letter is a copy of information that has been delivered to all residents and businesses along the route with details of the road closure timings. Please note that the closures for the Simplyhealth Great East Run course will prevent vehicular access to premises for a period of time. Please note that emergency services will still have access to the route should they need to attend an incident either along the route or in the vicinity.

In order to reassure you further we can confirm that arrangements are in place for advanced signs to be placed along the route two weeks before the race and there will be four variable message signs (VMS) located in the town centre to warn motorists of the event. There will also be further extensive coverage in the week leading up to the event in the local media.

We apologise for any inconvenience that this event may cause you. Events stewards and course staff will assist traffic and residents wherever possible on the day of the race, although no road access onto the course is possible after the race start. Full traffic diversion signage, approved by the relevant local authorities, will be in place across all areas affected by road closures.

Yours Sincerely,

SimplyHealth Great East Run Team
