Clerk asked to contact Babergh for next day collection for Seamist, the Church and all properties Below Church.

The recent events in and around Ipswich have proved that the collaboration between England's 33 forces has worked very successfully and is ongoing. Crime during and since the Suffolk murders continues to drop. Suffolk can be proud of its Police Force.
 - 6. Police brief** - PC Chris Garrod gave a detailed police update.
 - 6.1 There had been 31 crimes in the parish since the last report in late December. He asked residents to be aware of increased theft from insecure outbuildings. Chris also mentioned the forthcoming Safer Neighbourhood Teams, but will report back when the impact on Shotley is clearer.
 - 6.2 As discussed by the Parish Council before, Chris was aware of concerns about groups of youths gathering and causing a disturbance in the areas of Lower Harlings, Kitchener Way and Lloyd Road. A 'task plan' has been requested for this in order that extra attention can be made in the area to try and resolve the problems caused, inc criminal damage, noise and litter.
 - 6.3 He mentioned that he has issued many tickets on the peninsula as part of the campaign to target motorists about seat belts, using mobiles, and speeding.

9. Parish Plan Implementation Board: Update

9.1 Tennis Courts

A meeting with one contractor had been held and one with another cancelled. It appears that there is probably no need to resurface, although there was some ponding of water. The contractor also advised that there was no need to replace all fencing – he suggested some be taken down and re-hung.

9.2 Village Hall refurbishment

A report "A Hall for the 21st Century" had been circulated and work on the budget was ongoing. Once completed this would be forwarded to BELSP for the board's consideration at their next meeting in order to bid for the final £10,000 of Babergh money.

9.3 Next meeting of PPIB: 6.30pm, 22 March 2007

10. Ganges: update

- 10.1 A response to our letter of 17 January to Haylink (the site owners/developers) had been received (and circulated) and they confirmed that they have briefed a new architect, their new planning application will have higher design values and reflect the requirements following last year's public inquiry (eg using some of the existing buildings). The PC will be carrying out further consultations in order to inform the design process.
- 10.2 Cllr Steel advised that some questions posed in our letter still remained unanswered and he would draft a further letter to Haylink asking them to address these.

11. To consider purchase of new litter bins/wheelie bin

- 11.1 Two further sites for new litter bins had been identified. (1) Outside the village hall to replace the wire bin in place at present, and (2) by the bus stop at the top of Great Harlings which the Litter Warden advises is a "litter hotspot" – it was agreed by all that these be purchased at a cost of £221.56 each plus fitting of approximately £50 each.
- 11.2 A black wheelie bin had been requested by the Shotley Gate Litter Warden so as to cut down on trips to the Civic Amenity Point in order to dispose of litter. On contacting Babergh Waste Management to ascertain a price, they kindly agreed to provide the bin at no cost to the PC. The bin would be emptied during the normal collections at no extra cost.

12. To consider purchase of noticeboards

The brochure and placement of the noticeboards was discussed and it was decided that two noticeboards be purchased at a cost of £1051 (incl VAT) plus fixing costs of upto £75 each. One board would replace that on the top of Bristol Hill and the other to be placed outside the Kingsland Post Office - Clerk to check with BDC that placement there was in order.

13. To consider application for funding from The Royal British Legion

This application was deferred as the PC felt it was premature:- no firm costings being available and permission re design/siting from the Diocese not having been received yet. Clerk to inform applicant.

14. To consider application for funding from The Power Project

It was agreed to fund the advertising and refreshment costs to run the "Shotley Open Gardens" event, in the sum of £150. Clerk to request that the organisers to mention PC's funding in their publicity material.

15. To consider refurbishment of village sign

It was agreed by all that refurbishment of the village sign be carried out as per a quotation received by Odd Job dated 8 March. Although the quotation was for £150.00, it was not clear if this factored in painting both sides of the sign. Clerk to ensure both sides are painted and £200 (in total) be allowed for this.

16. To consider purchase of separate telephone line for Clerk - deferred to May meeting.

17. Election timetable/costs

17.1 An election timetable had been circulated to all councillors standing again and will be issued to prospective councillors.

17.2 It was agreed that polling cards be ordered from Babergh (these would only be necessary if the Parish election is contested). Costs were: 1812 electors x 21p each = £380.52 (it was not known if VAT was to be added)

17.3 Clerk advised that three potential councillors had requested nomination forms. Of the nine councillors currently standing, six were prepared to be nominated again. Should a tenth person come forward, there would be a contested election.

17.4 SALC had advised the Clerk to rearrange the date for the Annual Parish Council Meeting to allow three clear days notice of meeting because if the election is contested, we will not be advised of new councillors until 8 May – it will now be held on 17 May. Clerk had already rearranged date with the Village Hall.

18. Spring Clean Suffolk Week 2007

An invitation had been received between meetings, from BDC, to take part in this event. Councillors were canvassed and the general consensus was that this would be very worthwhile. The event is to be held on 24 March between 10-12, meeting at Kirkton Close Green for the Gate end and the Village Hall for The Street end. Both litter wardens would be present at their respective ends of the village.

19. Climate Challenge Now!

The PC had previously agreed that this free event be organised by the Clerk. It had been arranged for 22 March at 7pm in the Large Committee Room. Advertising on the website, posters and leaflets via school bags were planned in order to inform parishioners of the event. Cost of hire of room to be borne by the PC.
